Air Pollution Control Engineering: Third Edition by Noel ...

Air Pollution, Third Edition, Volume IV: Engineering Control of Air Pollution focuses on the sampling, measurement, analysis, and monitoring of air pollution. This book discusses the various gas and air cleaning devices used to eliminate or reduce emissions of air polluting substances. Organized into three parts encompassing 21 chapters, this edition starts with an overview of the methods of air pollution control that are designed to minimize the production or emission of contaminants.

---

Air Pollution V4 - 3rd Edition

A one stop, comprehensive textbook, covering the three essential components of air pollution science. The Third Edition has been updated with the latest developments, especially the inclusion of new information on the role of air pollutants in climate change. The authors give greater coverage to the developing economies around the world where air pollution problems are on the rise.

---

Air Pollution (3rd ed.) by Colls, Jeremy (ebook)

Catalytic Air Pollution Control: Commercial Technology is the primary source for commercial catalytic air pollution control technology, offering engineers a comprehensive account of all modern catalytic technology. This Third Edition covers all the new advances in technology in automotive catalyst control technology, diesel engine catalyst control technology, small engine catalyst control technology, and alternate sustainable fuels for auto and diesel.
