Includes the Report of the Mississippi River Commission, 1881-19 .

On July 18, 1969, a car driven by Senator Edward M. Kennedy plunged off a bridge on Chappaquiddick Island, off the coast of Cape Cod. Mary Jo Kopechne, a twenty-eight-year-old former staffer for Kennedy's brother Robert, died in the crash. The scandal that followed demeaned Kopechne's reputation and scapegoated her for Ted Kennedy's inability to run for the presidency instead of acknowledging her as an innocent victim in a tragedy that took her life. William C. Kashatus's biography of Mary Jo Kopechne illuminates the life of a politically committed young woman who embodied the best ideals of the sixties. Arriving in Washington in 1963, Kopechne soon joined the staff of Robert F. Kennedy and

committed herself to his vision of compassion for the underprivileged, social idealism tempered by political realism, and a more humane nation. Kashatus details her work as an energetic and trusted staffer who became one of the famed Boiler Room Girls at the heart of RFK's presidential campaign. Shattered by his assassination, Kopechne took a break from politics before returning as a consultant. It was at a reunion of the Boiler Room Girls that she accepted a ride from Edward Kennedy--a decision she would pay for with her life. The untold--and long overdue--story of a promising life cut short, *Before Chappaquiddick* tells the human side of one of the most memorable scandals of the 1960s. Purchase the audio edition.

In 1969 in Chappaquiddick, Mary Jo Kopechne, a passenger in a car driven by Sen. Ted Kennedy, dies in a fatal accident. Leland, the jury foreman in the case, details the investigation, inquest, and grand jury deliberations into her untimely death.

In the author's words, her book includes the island's fabulous collection of historic and contemporary tidbits, including those about people who come to the island in secret; celebrity scandals, as seen from the point of view of people who live on Martha's Vineyard; unsolved murders; sea monster sightings; paranormal events; shipwrecks; and some only on the Vineyard eccentrics and crackpots from the last 350 years.

Dismissed as a spent force in politics by the time he reached middle age, Ted Kennedy became the most powerful senator of the last half century and the nation's keeper of traditional liberalism. Perceptive and carefully reported, drawing heavily from candid interviews with the Kennedy family and inner circle, "Last Lion" captures magnificently his life and historic achievements, as well as the personal redemption that he found.

Crimes Gone By is a collection of essays by Albert Borowitz, collector, historian and author in the field of true crime literature. A noted true-crime historian, he is the author of several books, including The Thurtell-Hunt Murder Case, The Woman Who Murdered Black Satan, and Terrorism for Self-Glorification.
