baby's life--when parents tend to be nervous, siblings are needy, and new babies need immediate and constant attention--has a huge impact on the entire family. Getting a baby on a sleeping and eating schedule is an achievable dream, and it's not a mystery. Helen's step-by-step plan shows new parents exactly how to integrate their baby into the family so that she will be able to sleep when she's tired, eat when she's hungry, and calm herself when she ...
