This third edition of Contemporary Mexican Politics traces Mexico's history from pre-Columbian times to Spanish colonial rule, independence, US conquests of Mexican territory, the Mexican Revolution, and a slow transition to current democratic government. Considerable focus is on the Institutional Revolutionary Party (PRI), the party that became the embodiment of the 1910 Mexican Revolution and governed through co-opting opposition forces and repression, under the facade of a democracy.

~~Contemporary Mexican Politics: Edmonds-Poli, Emily, Shirk—~~

Since the mid-1980s, a dramatic opening in Mexico's political and electoral processes, combined with the growth of a new civic culture, has created unprecedented opportunities for women and other previously repressed or ignored groups to participate in the political life of the nation. In this book, Victoria Rodríguez offers the first comprehensive analysis of how Mexican women have taken advantage of new opportunities to participate in the political process through elected and appointed ...

~~Project MUSE—Women in Contemporary Mexican Politics~~

The Politics of Mexico take place in a framework of a federal presidential representative democratic republic whose government is based on a congressional system, whereby the President of Mexico is both head of state and head of government, and of a multi-party system. The federal government represents the United Mexican States and is divided into three branches: executive, legislative and judicial, as established by the Political Constitution of the United Mexican States, published in 1917. The

For everyone else with an interest in Mexican history, politics or current affairs, a recommendation is no less valid. (International Affairs) Contemporary Mexican Politics offers a serious and systematic accounting of one of the world's most complex and interesting governing systems... The autocracy of the PRI ultimately gave way in 2000 to a full multi-party state which had been gestating for the previous decade.

~~Contemporary Mexican Politics: Emily Edmonds-Poli, David A—~~

Mexico's political system revolves around a limited number of large political parties, while on its fringes are a group of smaller parties. The most powerful political party in the 20th century was the Institutional Revolutionary Party (Partido Revolucionario Institucional; PRI), which ran Mexico as an effective one-party state from 1929 until the late 20th century.

~~Mexico—Government and society—Britannica~~

Mexico City is a thriving hotbed of artistic talent, with big names like Frida Kahlo having lived and worked there and rising talents like Sofia Castellanos calling it home. As far as contemporary art goes, there are plenty of splendid examples to choose from, but these are the ten contemporary artists born in Mexico City that we think the world needs to know about.

~~Women in Contemporary Mexican Politics | Perspectives on —~~

Adam Morton links the rise and demise of the modern Mexican state to ongoing forms of class struggle that have shaped and restructured state and civil society. He thus sheds valuable interdisciplinary light on debates on state formation by recovering radical tools of analysis, such as uneven development and class struggle, for the wider study of past and present politics in Mexico and, more broadly, Latin America.
