The best-selling Fundamentals of Corporate Finance (FCF) is

Acces PDF Fundamentos Finanzas Corporativas Ross

written with one strongly held principle— that corporate finance should be developed and taught in terms of a few integrated, powerful ideas. As such, there are three basic themes that are the central focus of the book: 1) An emphasis on intuition—underlying ideas are discussed in general terms and then by way of examples that illustrate in more concrete terms how a financial manager might proceed in a given situation. 2) A unified valuation approach—net present value (NPV) is treated as the basic concept underlying corporate finance. Every subject covered is firmly rooted in valuation, and care is taken to explain how particular decisions have valuation effects. 3) A managerial focus—the authors emphasize the role of the financial manager as decision maker, and they stress the

need for managerial input and judgment. The Ninth Edition continues the tradition of excellence that has earned Fundamentals of Corporate Finance its status as market leader. Every chapter has been updated to provide the most current examples that reflect corporate finance in today ' s world. The supplements package has been updated and improved, and with the new Excel Master online tool, student and instructor support has never been stronger. The Alternate Edition includes 6 more chapters than the Standard Edition.

Corporate Finance, by Ross, Westerfield, Jaffe, and Jordan emphasizes the modern fundamentals of the theory of finance, while providing contemporary examples to make

the theory come to life. The authors aim to present corporate finance as the working of a small number of integrated and powerful intuitions, rather than a collection of unrelated topics. They develop the central concepts of modern finance: arbitrage, net present value, efficient markets, agency theory, options, and the trade-off between risk and return, and use them to explain corporate finance with a balance of theory and application. The Twelfth Edition includes many exciting new research findings as well as the incorporation of the Tax Cuts and Jobs Act (TCJA) throughout the text.

Provides students with an inexpensive note-taking system that contains a reduced copy of every slide in the
