An elegant new action manga, Land of the Lustrous is set in a far future Earth, where humanity's distant descendants live on in a small group of sexless crystalline beings who must fight off an invasion from the Moon. The young gem Phosphorite can't seem to do anything right. "Phos" has nothing but a big mouth and guts. Cinnabar, a classmate, is a loner, shunned by the other gems because of the toxins emitted from their body. But when they get together, they will learn that they both have an

Subaru Natsuki was just trying to get to the convenience store but wound up summoned to another world. He encounters the usual things--life-threatening situations, silver haired beauties, cat fairies--you know, normal stuff. All that would be bad enough, but he's also gained the most inconvenient magical ability of all--time travel, but he's got to die to use it. How do you repay someone who saved your life when all you can do is die?
