true.
Om x Inuki

Kanako

Tomie is a beautiful,
immortal teenage girl
who drives her admirers
to madness and murder.

Edogawa Ranpo
(1894-1965) was a great
admirer of Edgar Allan
Poe and like Poe drew
on his penchant for the
grotesque and the
bizarre to explore the

Online Library Presents Vol 1

boundaries of
conventional thought.
Best known as the
founder of the modern
Japanese detective
novel, Ranpo wrote for
a youthful audience, and
a taste for playacting
and theatre animates his
stories. His writing is
often associated with the
era of ero guro nansense
(erotic grotesque
nonsense), which

Online Library Presents Vol 1

accompanied the rise of mass culture and mass media in urban Japan in the 1920s. Characterized by an almost lurid fascination with simulacra and illusion, the era's sensibility permeates Ranpo's first major work and one of his finest achievements, *Strange Tale of Panorama Island* (Panoramato kidan),

Online Library Presents Vol 1

published in 1926.

Ranpo's panorama island is filled with cleverly designed optical illusions: a staircase rises into the sky; white feathered "birds" speak in women's voices and offer to serve as vehicles; clusters of naked men and women romp on slopes carpeted with rainbow-colored

Online Library Presents Vol 1

flowers. His fantastical utopia is filled with entrancing music and strange sweet odors, and nothing is ordinary, predictable, or boring. The novella reflected the new culture of mechanically produced simulated realities (movies, photographs, advertisements, stereoscopic and panoramic images) and

Online Library Presents Vol 1

focused on themes of the doppelganger and appropriated identities: its main character steals the identity of an acquaintance. The novella's utopian vision, argues translator Elaine Gerbert, mirrors the expansionist dreams that fed Japan's colonization of the Asian continent, its ending an eerie

Online Library Presents Vol 1

harbinger of the collapse of those dreams. Today just as a new generation of technologies is transforming the way we think—and becoming ever more invasive and pervasive—Ranpo's work is attracting a new generation of readers. In the past few decades his writing has inspired films, anime, plays, and manga, and many

Online Library Presents Vol 1

Translations of his stories, essays, and novels have appeared, but to date no English-language translation of Panoramato kidan has been available. This volume, which includes a critical introduction and notes, fills that gap and uncovers for English-language readers an important new dimension of an

Online Library Presents Vol 1

ever stimulating,
provocative talent.

The 6th IAA
Symposium on Small
Satellites for Earth
Observation, initiated by
the International
Academy of
Astronautics (IAA), was
again hosted by DLR,
the German Aerospace
Center. The
participation of

Online Library Presents Vol 1

Scientists, engineers, and managers from 24 countries reflected the high interest in the use of small satellites for dedicated missions applied to Earth observation. The contributions showed that dedicated Earth observation missions cover a wide range of very different tasks.

Online Library Presents Vol 1

Get ready for spine-tingling chills in this creepy anthology filled with ghoulish neighbors, a supernatural serial killer, and other creatures feasting on fear and blood. Pity any innocent bystander that stumbles across their paths, for her life will be forever altered... That's if she even survives!

Online Library Presents Vol 1

The final installment of this poignant series focused on the young lives of a group of foster children opens the door to the endless promise of the future as it closes this chapter of their youth. -- VIZ Media

The book offers a fascinating picture of the four emperors of modern Japan, their

Online Library Presents Vol 1

institution, their personalities and their impact on the history of their country. Leading scholars from Japan and other countries have contributed essays which treat this subject from various angles.

Today, comic art is the favorite reading fare for millions of Asians, and is a government-

Online Library Presents Vol 1

sanctioned, value-added product, as in the case of Korean and Japanese animation. Yet not much is known about Asian cartooning.

Themes and Issues in Asian Cartooning uses overviews and case studies by scholars to discuss Asian animation, humor magazines, gag cartoons, comic strips,

Online Library Presents Vol 1

and comic books. The first half of the book looks at contents and audiences of Malay humor magazines, cultural labor in Korean animation, the reception of Aladdin in Islamic Southeast Asia, and a Singaporean comic book as a reflection of that society's personality. Four other chapters treat gender

Online Library Presents Vol 1

and Asian comics,
concentrating on
Japanese anime and
manga and Indian comic
books.
