Chapter 114: Shut Up and Do The Impossible. The gibbous moon riding higher in the cloudless sky, the stars and wash of the Milky Way visible in all their majesty within the darkness, all these shone down upon the graveyard to bear witness from their unimaginable distances. In the instant when Harry had realised there was no way at all left to save everyone, his mind's voices had fallen away, become one, a single purpose taking up every fraction of his mind.

Chapter 114: Shut Up and Do The Impossible

Shut up and do something like donate to a reputable charity, adopt a pet, or volunteer at a shelter. You feel like crap and have low energy. Change your eating habits and move your body. Get your butt in bed earlier. You know these things are important.

But it illustrates the general point: “Shut up and do the impossible” isn’t the same as expecting to find a cheap way out. That’s only another kind of running away, of reaching for relief. Tsuyoku nariai is more stressful than being content with who you are. Isshokenmei calls on your willpower for a convulsive output of conventional strength.

Shut up and do the impossible! - LessWrong

“Shut up” is a direct command with a meaning very similar to “be quiet”, but which is commonly perceived as a more forceful command to stop making noise or otherwise communicating, such as talking. The phrase is probably a shortened form of “shut your mouth” or “shut your mouth up”. Its use is generally considered rude and impolite, and may also considered a form of profanity by some.
