The Word journal template features a title, heading, and space for images so you can customize it to fit different aspect of your life. Use a Microsoft Word journal template to jot down ideas, list your goals, record your dreams, document your travels, and more. Writing regularly on a journal template in Word is also good for your health—it can help relieve stress, boost your memory, even improve your writing.

## ~~Write a Journal — templates.office.com~~

Ideally, journal writing addresses your deepest, most personal thoughts, and even thoughts that somehow scares you. Laying down your thoughts on paper renders an organization and order inside your brain, which at more times than we care to admit, have the tendency to become such a tangled, messy place.
